REQUIRED MATERIALS

WIRED Japan is printed on 4c/4c web offset. Machine color proof will be provided for your final approval.

Digital Files

- Image data must be high resolution scan, minimum 350dpi. (PDF data)
 - Please prepare a page layout in which the company names, marks, photographs, and other indispensable parts are pushed to at least 10mm from the boundaries of top, bottom and side edges.
 - Also, for the first double page spread (second double spread), Gatefold Cover and the Cover 3 (inside back cover) page, in the same way, please take care not to insert anything within 3mm from the spine of the book (central margin).
- Fully formatted digital files with Output Sample will be accepted.
 - Digital File Information Needed In Advance: OS version and application software version, fonts used and vendor name plus any additional information regarding XTensions and image data.
 - Image can be provided in either color transparencies, art, or digital data.
 - Advertisers must keep a back-up copy of the digital file.
 - Detailed information available from your sales representative.
 - Change can only be accepted in complete replacement digital file.

Film Supply

- Supply film positives in right reading, emulsion-side down, 175 line screen.
- OK'd machine color proof with inking gauge on MC art paper prepared from supplied films must be accompanied with positives.
- Change can only be accepted in complete replacement film set.

OTHER SIZES

Sizes other than those above are available on contract basis, but must be negotiated separately, and are non-cancellable.

All special space units, such as gatefolds, multiple page advertisements which require special positioning, or other-than-normal printing treatment, must be discussed in advance with the Advertising Department to establish mechanical feasibility and rates.

GENERAL CONDITIONS

>The word "promotion" will be placed above or below copy which in WIRED's opinion simulates editorial. No responsibility will be accepted for errors in copy or key numbers, or for any loss arising from the failure of an advertisement or any part there of to appear or for any changes made after the material deadline.

WIRED shall be under no liability to compensate the advertiser for loss associated with the delay or non-publication of advertising caused or contributed to by factors beyond WIRED's control provided that, in the case of non-publication, WIRED shall, if requested, refund to the advertiser any fees paid to WIRED in respect of the relevant advertising, less WIRED's expenses, if any in relation to such advertising.

Expect where contrary to statute, WIRED shall not in circumstance be liable to the advertiser for consequential damage, its liability, if any, to the advertiser being in all cases not more than the amount of fees

paid or payable by the advertiser to WIRED in respect of the advertising concerned.

Indemnity and Warranty-The advertiser agrees to indemnify and keep indemnified WIRED in respect of all liabilities, losses, damages, costs or expenses whatsoever in relation to any claim, demand, action, suit or proceeding whatsoever brought by any third party arising out of or in connection with any material published by WIRED on behalf of the advertiser.

The advertiser warrants to WIRED that all advertising material and information submitted or to be submitted by on behalf of the advertiser is such that its publication will not infringe the provision of any law or statute and will not give rise to any claim or right of action whatsoever against WIRED whether at common law or under statute.
